PAYMENT KIOSK

HIGH CAPACITY, COIN, NOTE & CARD PAYMENTS

The Payment kiosk is a dedicated, unattended payment kiosk, which is equipped with large capacity coin and note devices, as well as the latest P2PE chip, pin and contactless card payment device. This kiosk can be deployed with a cheque payment facility, printers, scanners and card readers to ensure all requirements are satisfied, and can process over £200k per month in cash, card and cheque payments.
